

ASSEMBLY INSTRUCTIONS

1. Unwrap your standard Tiki-brand torch and remove the canister.
2. Thread the cord through the bulb support cage, then through the torch from the top.
3. Seat the skull onto the torch basket..
4. Screw the bulb into the socket and settle it into skull.
5. Place the flame insert over the bulb and settle it firmly into the hole in the skull.
6. Turn on your lamp, and enjoy the forbidden glow.
